Exercise: Using Re3data to find a repository

http://www.re3data.org/

1. Read the *Veteran tapes* project brief and identify what should be kept for the long term

2. Using Re3data, search for appropriate repositories considering:
   1. Data type(s)
   2. Discipline
   3. Repository features

3. Consider what you would do if there weren't an appropriate repository and what factors should be taken into account?

4. Reporting back and questions
